

To Whom It May Concern,

I am writing to express my support for the zoning variance request submitted by my neighbor Emily and Howard Gill at 4 Pheasant Ridge Road regarding the slight enlargement of their existing deck.

I reside at a bordering property and have no objections.

I believe it is a reasonable request and one that will enhance the homeowner's use of their property without creating any adverse effects for the surrounding community.

For these reasons, I respectfully encourage the Board to approve this variance request.

Thank you for your time and attention.

Sincerely,
